Hi Janetta,

After reviewing our team's accomplishments over the past week and discussion with Sam Tates, we believe we've proactively touched a variety of federal, state, and local government and community based organizations' networks. Should a Fort Bend County organization reach back out to us, we can certainly provide information, but at this time there's no indication they need our assistance or presence.

Kindly,
Ms. Kyle J. Zieba, Community Liaison

Good afternoon,

In reviewing the report it was not noted EPA would no longer provide services to Fort Bend.

Please let us know if Fort Bend no longer need assistance.

Thanks,

Janetta
